**2020**  
**IMPACT REPORT**

**A LEGACY OF HEALTHY LANDS **31** YEARS FOR FUTURE GENERATIONS**

In 2020, you enabled us to:

CONSERVATION

**1**

trail concept plan created with partners at Owens Farm

**2,223**

acres queued for future protection

STEWARDSHIP

**20,600**

native trees planted by crews, volunteers and staff

**40**

acres of native prairie seeded at Bald Hill Farm

COMMUNITY

**917**

donors and members

**150**

volunteer hours in stewardship and education

PARTNERSHIPS

**1**

Equity, Diversity, Inclusion and Justice initiative launched

**31**

years of conservation leaders celebrated!

Together, we have protected 4,000 acres of critical habitat.  
Planted hundreds of thousands of trees.  
Built a resilient organization.  
YOU are Greenbelt Land Trust.

**HOW TO HELP**

**1**

**JOIN US**

Have fun with us! Get outdoors with Greenbelt and learn about conservation in your community.

**2**

**VOLUNTEER**

Get involved, get dirty and help raise awareness about our lands and waters by volunteering.

**3**

**GIVE**

We need you. Your donation sustains Greenbelt and the future of our lands.

# A LOOK BACK AT 2020

1) Newly-restored vernal pools at Evergreen Creek burst with wildflowers in early Spring. 2) An aerial view of tree plantings at Harkens Lake, where hundreds of thousands of native tree plantings are thriving and creating a floodplain forest. 3) Staff relish getting outdoors together for a masked walk in a year where staff have largely been working from home. 4) Cellist Anne Ridlington plays to an online audience at Fitton Green during our first virtual Symphony on the Land event. 5) A cougar stops for a drink of water creekside at a property adjacent to Greenbelt's (photo credit: Jonny Armstrong). 6) GLT member Chris Johnson sends a 'thumbs up' for open and accessible trails during the pandemic this year.

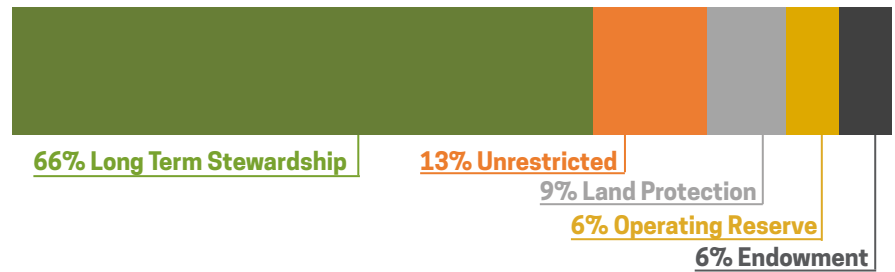

## A SOLID BASE

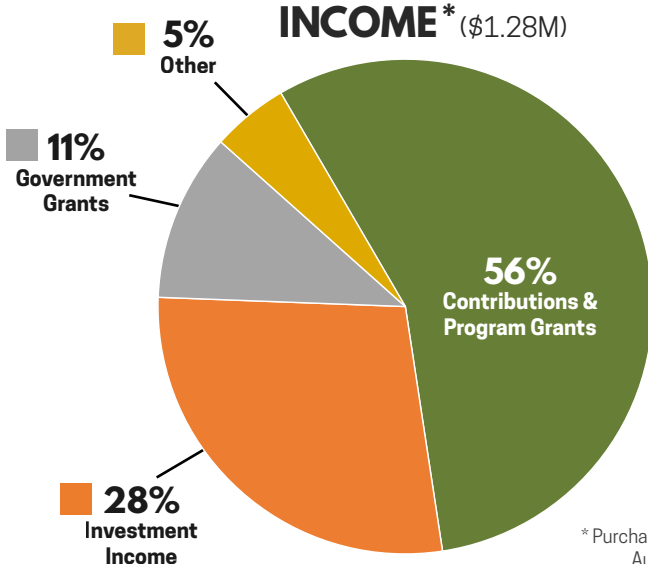

### FINANCIAL SUMMARY (10/1/19-9/30/20)

Conservation success depends on organizational effectiveness. At Greenbelt Land Trust we have set high standards for financial sustainability and accountability as the foundation for our great conservation work.

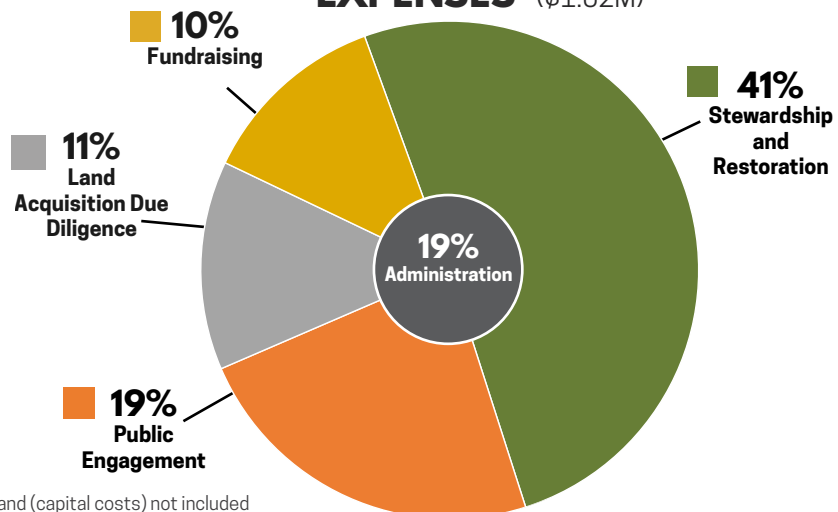

## LONG-TERM AND ENDOWMENT FUNDS (\$5.9M)

## INCOME\* (\$1.28M)

## EXPENSES\* (\$1.02M)

\* Purchase price of land (capital costs) not included  
Audited financials available by request.
